Whatever happened to Alice?

She is back, working on her new life, trying to be like everyone else...normal. But normal for Alice is very different from most. Friends, work, love...her life...are all tainted by her past and the hard years of her youth. Strong and resilient, Alice is in Las Vegas now, hoping and working for that new life. But then circumstances take her down old familiar paths and the little voice inside reminds her of what she truly is...a survivor.
