The wild story between right and wrong... and wild passion and romance...

(JADE)

It's supposed to be simple. I'm the good girl, he's the bad boy. We're at a party. We get drunk. His eyes are all over me... so I let him be all over me. Simple as that. One crazy night with the sexiest guy in the world. Stripping away all my innocence.

I'm never going to have to deal with him again. Until my father makes a shocking confession... my father's now married and I have a new stepbrother. When I meet him, my life forever changes...

(JAKE)

Yeah, I knew the truth before I slept with her. And you know what? I didn't give damn about it. I take what I want and I forget everything – and everyone – else. So when Jade sees me standing there, being introduced as her new stepbrother, the look on her face is priceless. But something else starts to happen... she turns me on again. She's too pretty and way too tempting to be around.

I like it. I like her. I like us.

She's so innocent and so good. And she has no idea who I really am or what I'm actually capable. Hell, maybe even I don't know.

It's wild and it's fun... just as long as we don't get caught – or fall in love.

Yeah, right.
