Play Now Pay Later (a real junkies bible) Jason Benson

Twenty-two short stories that give you a detailed and sometimes graphic view of my life as a junkie in Minneapolis, Minnesota. This book chronicles a sick, humorous, tragically wasted life and how it affected all those in my path. Junkie mentors, victims, relationships, family and fellow losers. A honest look into the world of street level drug abuse with all the sordid details that other books leave out. It will provide non-users insight and answers to a complex lifestyle, while being easily identifiable to users, both past and present. An emotional rollercoaster that will suck you in.
