Saving Mr. Terupt Rob Buyea

"An exciting story about what really matters, *Saving Mr. Terupt* is warm, wise, and packed with hope."--JOAN BAUER, Newbery Honor Winner

The kids and their favorite teacher from *Because of Mr. Terupt* and *Mr. Terupt Falls Again* return for a third book in the funny, warmhearted series for fans of *Wonder*.

Seventh grade was going to be awesome. The only thing missing was Mr. Terupt.

The kids from Mr. Terupt's fifth- and sixth-grade classes are entering their first year of junior high school. There's a lot to be excited about, but there are new challenges, too. **Peter** and **Jeffrey** face tough competition on their wrestling team. **Alexia** has a disastrous first day of school, and that's only the beginning. **Anna** is desperate for Charlie to propose to her mother—what is he waiting for?! **Danielle** isn't feeling so well, but she's trying to tough it out, like Grandma. Trouble with a bully makes **Luke** dread going to school for the first time ever. And **Jessica** is waiting anxiously for an acceptance to a theater retreat in New York City.

Everyone is missing Mr. Terupt. When a fight threatens to break up the group forever, they think their favorite teacher is the only one who can help them. But the kids soon find out that it's Mr. Terupt who needs saving.

This novel includes extra content in the back of the book. Readers will find a Junior High Survival Guide with tips from the old gang!

"Buyea has a knack for making his character's voices distinct. This offering will resonate with tween audiences seeking **realistic** stories with **multifaceted** characters. Fans of the "Terupt" novels will cheer as the Snow Hill crowd enters seventh grade, though this latest volume will also appeal to newcomers to the series."--*School Library Journal*

"This third in the series [is] **as easy for new readers to pick up as it is for returning fans**. A warmly gracious invitation to a **convincing middle school world**."--*Kirkus Reviews*

"The **individual personalities and abilities** of Buyea's characters emerge through their narratives as they tell about their interests and feelings, including moves **from friendships to budding romantic relationships**. Danielle's narrative includes a scientific explanation of diabetes type one and her courageous attitude in learning how to manage her health. This is an **engaging read with broad appeal**."--VOYA, **Recommended**

From the Hardcover edition.

From reader reviews:

Milton Jones:

With other case, little men and women like to read book Saving Mr. Terupt. You can choose the best book if you love reading a book. So long as we know about how is important the book Saving Mr. Terupt. You can add information and of course you can around the world by just a book. Absolutely right, since from book you can know everything! From your country right up until foreign or abroad you will end up known. About simple issue until wonderful thing you are able to know that. In this era, we can open a book or maybe searching by internet system. It is called e-book. You can utilize it when you feel bored stiff to go to the library. Let's learn.

Kayla Wilson:

Reading a guide tends to be new life style on this era globalization. With looking at you can get a lot of information that can give you benefit in your life. Having book everyone in this world can easily share their idea. Books can also inspire a lot of people. Many author can inspire all their reader with their story or perhaps their experience. Not only the storyline that share in the guides. But also they write about the ability about something that you need illustration. How to get the good score toefl, or how to teach your young ones, there are many kinds of book that exist now. The authors nowadays always try to improve their proficiency in writing, they also doing some research before they write to their book. One of them is this Saving Mr. Terupt.

Sophia Morrison:

The reason why? Because this Saving Mr. Terupt is an unordinary book that the inside of the publication waiting for you to snap the idea but latter it will zap you with the secret it inside. Reading this book adjacent to it was fantastic author who else write the book in such awesome way makes the content inside easier to understand, entertaining way but still convey the meaning completely. So , it is good for you because of not hesitating having this any more or you going to regret it. This unique book will give you a lot of rewards than the other book include such as help improving your talent and your critical thinking method. So , still want to hesitate having that book? If I ended up you I will go to the reserve store hurriedly.

Kimberly Johnson:

Playing with family in a park, coming to see the coastal world or hanging out with pals is thing that usually you have done when you have spare time, in that case why you don't try matter that really opposite from that. One particular activity that make you not sense tired but still relaxing, trilling like on roller coaster you are ride on and with addition of knowledge. Even you love Saving Mr. Terupt, you could enjoy both. It is very good combination right, you still wish to miss it? What kind of hang-out type is it? Oh come on its mind hangout people. What? Still don't obtain it, oh come on its referred to as reading friends.
