As a university student exactly feel bored in order to reading. If their teacher requested them to go to the library or make summary for some guide, they are complained. Just very little students that has reading's spirit or real their passion. They just do what the educator want, like asked to the library. They go to at this time there but nothing reading very seriously. Any students feel that studying is not important, boring and can't see colorful pictures on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country.
