A Guide to Poetics Journal: Writing in the Expanded Field, 1982-1998

Lyn Hejinian and Barrett Watten are internationally recognized poet/critics. Together they edited the highly influential Poetics Journal, whose ten issues, published between 1982 and 1998, contributed to the surge of interest in the practice of poetics. A Guide to Poetics Journal presents the major conversations and debates from the journal, and invites readers to expand on the critical and creative engagements they represent.

In making their selections for the guide, the editors have sought to showcase a range of innovative poetics and to indicate the diversity of fields and activities with which they might be engaged. The introduction and headnotes by the editors provide historical and thematic context for the articles. The Guide is intended to be of sustained creative and classroom use, while the companion Archive of all ten issues of Poetics Journal allows users to remix, remaster, and extend its practices and debates.
