How to Keep a Boy from Kissing You Tara Eglington

Sweet sixteen and never been kissed - and that's the way Aurora Skye wants it to be. She's too busy finding Potential Princes (TM) for her two best friends, counseling her sensitive New Age dad and dealing with the unexpected return of her long-absent mum. But always in the background there's Hayden Paris, the boy next door, the bane of Aurora's life. Smart, funny, and always around to see her at her worst, he 'gets' her like no-one else ...and that's what makes him so infuriating. When Aurora and Hayden are coerced into the lead roles in the school production of Much Ado About Nothing, things can only get worse. How is Aurora going to save her first kiss for the secret admirer who wooed her with poetry and a spectacular bunch of flowers on Valentine's Day if she doesn't know who he is and she's obligated to lock lips with Hayden in the play's final dramatic clinch? From talented debut YA author Tara Eglington, this is a page-turning, funny and delicious romp of a book that both kissing and non-kissing teenage girls will adore.
