Nathan doesn't believe in shifters, but he does believe in pleasing his perpetually disappointed father. In an attempt to repair their relationship, Nathan must pass the hazing ritual doled out by AEP. Spend an hour in an abandoned warehouse with a flashlight and his cell phone.

Nathan thinks he's spending the hour alone, until a trip to the basement reveals two Alphas who are expecting a guest of their own.

Author's Note: This is a **short story** that contains extremely hot and sweaty sex. Not your thing? Might want to skip this one. But if you like your romance hot and heavy (and I do mean heavy) this one is for you.
