Tao Te Ching, the Art and the Journey

Holly H. Roberts

Tao Te Ching, the Art and the Journey Holly H. Roberts

This book is a sensitive, inspiring, and beautifully illustrated translation- interpretation of China's ancient sacred wisdom, the Tao Te Ching. Lao Tzu placed his enigmatic teachings into writing approximately 2,500 years ago. He describes the Tao as "Something that formed in chaos. It preceded the creation of Heaven and Earth. Still and empty - standing alone -unchanged. Its path was cyclic. It never tired. It became the mother of the world. I know not its name - I call it the Tao." Dr. Roberts conveys Lao Tzu's timeless wisdom through art and words. By so doing, she has captured the essence of his serene, peaceful message, and has succeeded in inspiring others to learn of it.

From reader reviews:

Nichole Gibson:

Reading a publication can be one of a lot of action that everyone in the world likes. Do you like reading book therefore. There are a lot of reasons why people like it. First reading a publication will give you a lot of new information. When you read a publication you will get new information mainly because book is one of a number of ways to share the information or their idea. Second, looking at a book will make anyone more imaginative. When you studying a book especially hype book the author will bring one to imagine the story how the people do it anything. Third, it is possible to share your knowledge to other individuals. When you read this Tao Te Ching, the Art and the Journey, it is possible to tells your family, friends along with soon about yours reserve. Your knowledge can inspire average, make them reading a book.

Virginia Comer:

The reason? Because this Tao Te Ching, the Art and the Journey is an unordinary book that the inside of the guide waiting for you to snap the idea but latter it will distress you with the secret this inside. Reading this book next to it was fantastic author who have write the book in such amazing way makes the content on the inside easier to understand, entertaining way but still convey the meaning thoroughly. So , it is good for you because of not hesitating having this ever again or you going to regret it. This book will give you a lot of advantages than the other book include such as help improving your expertise and your critical thinking way. So , still want to delay having that book? If I have been you I will go to the book store hurriedly.

Rubin Bourne:

Are you kind of active person, only have 10 or perhaps 15 minute in your day to upgrading your mind skill or thinking skill even analytical thinking? Then you are receiving problem with the book when compared with can satisfy your small amount of time to read it because pretty much everything time you only find e-book that need more time to be study. Tao Te Ching, the Art and the Journey can be your answer given it can be read by anyone who have those short free time problems.

Amy Smith:

Do you like reading a guide? Confuse to looking for your best book? Or your book had been rare? Why so many concern for the book? But just about any people feel that they enjoy to get reading. Some people likes looking at, not only science book but also novel and Tao Te Ching, the Art and the Journey or perhaps others sources were given expertise for you. After you know how the fantastic a book, you feel need to read more and more. Science e-book was created for teacher or even students especially. Those ebooks are helping them to include their knowledge. In various other case, beside science publication, any other book likes Tao Te Ching, the Art and the Journey to make your spare time more colorful. Many types of book like this one.
