Enterprise and Directorate are still embattled as the NAU marches toward Shift, now just days away. Experience more of the textured sci-fi saga that will keep you guessing, and pulling you in for more with characters that aren't just pieces in the game, but true, multi-dimensional people living in a tangible future that is simple to imagine. Join Nicolai, Kai, Dominic, Leah, Leo, Isaac, Micah, and Natasha, plus new characters to round out the cast in a future that's easy to see lighting our horizon already. In the future you are who they want you to be.
