Thomas Hardy

Thomas Hardy: Tess of the D'Urbervilles * The Mayor of Casterbridge * Far from the Madding Crowd Thomas Hardy

The quintessential Victorian novelist of unforgettable characters caught in their inescapable fates: with unfailing honesty and lyrical writing, Thomas Hardy captured his heroes' intimate relationship with the natural and social environment. Here are three of his finest works, presented in their entirety. *Tess of the Durbervilles* tells the tragic tale of a poor young girl's coming of age and her traumatic relationships with two men: the wealthy and cold Alec D'Urberville and the beautiful, but unforgiving Angel Clare. Michael Henchard, the title character of *The Mayor of Casterbridge*, reaches the pinnacles of power-only to lose everything through folly and bad luck. Set in Hardy's beloved Wessex, and always attentive to the struggles of everyday life in the farming community, *Far From the Madding Crowd* centers on Bathsheba Everdene and the men who love her.
