A History of Mormon Landmarks in Utah: Andy Weeks

The home state of The Church of Jesus Christ of Latter-day Saints is a land of rugged mountains, deep canyon lands and majestic rivers. Utah and Mormon history are entwined, as so many early followers of the faith settled the region beginning in 1847. They preserved their values and heritage in the numerous temples, forts, tabernacles and cemeteries that serve as historic sacred monuments for the modern church. Author and LDS member Andy Weeks explores the history behind the landmarks that exalt the rich, deeply rooted history of Mormonism in the Beehive State.
