Adelita

Tomie dePaola

Adelita Tomie dePaola

Hace mucho tiempo?a long time ago?there lived a beautiful young woman named Adelita. So begins the age-old tale of a kind-hearted young woman, her jealous stepmother, two hateful stepsisters, and a young man in search of a wife. The young man, Javier, falls madly in love with beautiful Adelita, but she disappears from his fiesta at midnight, leaving him with only one clue to her hidden identity?a beautiful rebozo? shawl. With the rebozo in place of a glass slipper, this favorite fairy tale takes a delightful twist. Tomie dePaola?s exquisite paintings, filled with the folk art of Mexico, make this a Cinderella story like no other.

From reader reviews:

Sam Holmes:

What do you concerning book? It is not important along with you? Or just adding material if you want something to explain what the one you have problem? How about your time? Or are you busy particular person? If you don't have spare time to do others business, it is make one feel bored faster. And you have time? What did you do? All people has many questions above. They should answer that question mainly because just their can do that will. It said that about reserve. Book is familiar on every person. Yes, it is correct. Because start from on guardería until university need this specific Adelita to read.

Paul Dixon:

Your reading sixth sense will not betray you, why because this Adelita book written by well-known writer who knows well how to make book which can be understand by anyone who have read the book. Written in good manner for you, still dripping wet every ideas and writing skill only for eliminate your hunger then you still hesitation Adelita as good book not simply by the cover but also by the content. This is one publication that can break don't assess book by its cover, so do you still needing one more sixth sense to pick this!? Oh come on your reading through sixth sense already told you so why you have to listening to a different sixth sense.

Gary Clark:

This Adelita is great publication for you because the content which can be full of information for you who else always deal with world and possess to make decision every minute. This particular book reveal it details accurately using great organize word or we can declare no rambling sentences inside. So if you are read the idea hurriedly you can have whole facts in it. Doesn't mean it only provides you with straight forward sentences but hard core information with splendid delivering sentences. Having Adelita in your hand like finding the world in your arm, facts in it is not ridiculous one. We can say that no reserve that offer you world throughout ten or fifteen tiny right but this publication already do that. So , this is good reading book. Hi Mr. and Mrs. stressful do you still doubt this?

Jeremy Hutchings:

Reading a book to become new life style in this season; every people loves to study a book. When you study a book you can get a great deal of benefit. When you read textbooks, you can improve your knowledge, simply because book has a lot of information in it. The information that you will get depend on what kinds of book that you have read. If you wish to get information about your examine, you can read education books, but if you want to entertain yourself look for a fiction books, this sort of us novel, comics, and soon. The Adelita offer you a new experience in looking at a book.
