As we prepare for the return of Messiah, Our Abba Yah is gathering each of us to His threshing floor, where He is separating the grain from the chaff. The pressure of the threshing floor is used to release the edible part of the grain from its hard outer shell. By reading and studying scripture you will be challenged to become sensitive to the Master's refinement process. In this 21 day devotional you will have the opportunity to get a concrete understanding of what the Father is looking for in the life of his children, and the type of relationships we are to cultivate with those around us in order to be a light in our homes and to the Nations. Through the definition of words and the sharing of stories, you will be able to procure a humble heart that will produce fruit ripe for the harvest.
