It has passed from hand to hand and from mouth to mouth, changed publisher, cover, color and presentation. Less than two years after its publication, it became a national bestseller in Mexico and has deeply touched the hearts and lives of thousands of people.

Now eleven years later, Not The End celebrates its twenty-ninth edition in Mexico and the first one in it's translation to English. A magical tale that speaks of endings and the eternal beginnings of life. Of all the possibilities, all the beginnings and all the endings. But beyond that, it makes us rediscover the importance of living life ... Until the end!
