WARNING - This is not the original book *One Plus One* by Jojo Moyes, but a detail summary and study guide designed to be used alongside the original novel.

When you read *One Plus One* by Jojo Moyes - Review Summary you will get a deeper understanding of the characters and plot found in *One Plus One*, as well as the themes and symbolism included in the novel.

You also get a detailed chapter by chapter breakdown and analysis of the events as they unfold along with a glossary of the important characters and terms used in the original book. Just in case that's not enough for you I've also included an analysis of each chapter, and quotes from the book that I found interesting.

One plus One is undoubtedly the best Jojo Moyes's relationship novel to date. You laugh, you weep, and when you flip the last page, you want to start all over again.

If you'd like to enhance your experience while reading *One plus One*, then this book review and study guide is perfect for you!

One plus one by Jojo Moyes is a touching love story about Jess, her 2 children (Tanzie, 8 years old, is mathematical genius, while Nicky is an untypical teenage boy), and their old dog Norman, who have to face unbelievable challenges.

The story starts with good news when Tanzie was offered a 90% scholarship at one of the top schools. But even with 90% bursary funded, she can't still afford the extra money for Tanzie's uniform and other extras.

Wrapping it all up is a discussion of the critical reviews for *One Plus One* as well as my overall opinion of the book.

Whether you're reading this for a book club, school report, or just want to catch up with your favorite characters and find out what happens before diving into the full length book, you can use this book review and study guide to get most out of your experience reading *One Plus One* by Jojo Moyes.
