Essentials of Pharmacology for Health Professions Ruth Woodrow, Bruce J. Colbert, David M. Smith
Now in its 7th Edition, ESSENTIALS OF PHARMACOLOGY FOR HEALTH PROFESSIONS is the best-selling resource for those preparing for licensed practical nursing, medical assisting, and other allied health careers. Clear, concise writing focused on "need to know" drug information gives readers the confidence to master pharmacology. Learn calculations quickly through a simplified step-by-step process. Part I chapters center on basic pharmacologic principles. Medication preparation, supplies, and specific information on each route of administration is covered. Administration checklists allow the learner to put the knowledge into practice. . Part II chapters organize drugs by classifications, and includes purpose, side effects, cautions, interactions, and contraindications. Patient education is highlighted for each category. Reference tables with each classification list the most commonly prescribed drugs according to generic and trade names, with dosage and available forms. The complete pharmacology resource for allied health professionals at every experience level, ESSENTIALS OF PHARMACOLOGY FOR HEALTH PROFESSIONS, 7th Edition also makes a great refresher and on-the-job reference.

From reader reviews:

Tara Gamboa:

Information is provisions for anyone to get better life, information nowadays can get by anyone on everywhere. The information can be a expertise or any news even an issue. What people must be consider whenever those information which is inside the former life are challenging to be find than now's taking seriously which one is acceptable to believe or which one the actual resource are convinced. If you find the unstable resource then you obtain it as your main information you will see huge disadvantage for you. All those possibilities will not happen with you if you take Essentials of Pharmacology for Health Professions as the daily resource information.

Denise Church:

A lot of people always spent their very own free time to vacation or go to the outside with them family members or their friend. Do you know? Many a lot of people spent they will free time just watching TV, or perhaps playing video games all day long. In order to try to find a new activity honestly, that is look different you can read any book. It is really fun for yourself. If you enjoy the book that you read you can spent the whole day to reading a publication. The book Essentials of Pharmacology for Health Professions it is rather good to read. There are a lot of folks that recommended this book. They were enjoying reading this book. When you did not have enough space to create this book you can buy often the e-book. You can m0ore simply to read this book through your smart phone. The price is not too costly but this book features high quality.

Molly Maldonado:

Exactly why? Because this Essentials of Pharmacology for Health Professions is an unordinary book that the inside of the book waiting for you to snap the idea but latter it will distress you with the secret the item inside. Reading this book adjacent to it was fantastic author who all write the book in such incredible way makes the content inside easier to understand, entertaining means but still convey the meaning entirely. So , it is good for you for not hesitating having this any longer or you going to regret it. This book will give you a lot of advantages than the other book include such as help improving your ability and your critical thinking method. So , still want to postpone having that book? If I were being you I will go to the e-book store hurriedly.

Jeffrey Martinez:

As we know that book is important thing to add our knowledge for everything. By a book we can know everything we really wish for. A book is a set of written, printed, illustrated or even blank sheet. Every year was exactly added. This book Essentials of Pharmacology for Health Professions was filled regarding science. Spend your time to add your knowledge about your scientific research competence. Some people has distinct feel when they reading a book. If you know how big advantage of a book, you can feel enjoy to

read a guide. In the modern era like today, many ways to get book you wanted.
