Learning to read the Tarot is a continuous process of change and growth. Even experienced Tarot readers often find surprising insights in a reading or notice a detail in a Tarot card that had never seemed significant before. Sometimes it may even seem that Tarot cards raise more questions than they answer.

*Tarot Tips* is a compendium of sage advice and practical Tarot wisdom from two respected teachers with decades of Tarot experience. Divided into six sections, the seventy-eight “tips” cover common questions of interest to beginning and advanced students alike, including choosing and cleansing a new deck, different interpretation systems and card combinations, clarifying the question, Tarot reading ethics, and designing your own custom Tarot spreads.
