The Last White Knight Tami Hoag

#1 *New York Times* bestselling author Tami Hoag tells a powerful story of love and surrender in this classic novel about a young woman determined to save the world on her own, and the man who may help her save herself.

Lynn Shaw knows teenage rebellion all too well. And she knows the damage it can leave in its wake. She hadn't been able to spare herself those growing pains, but as a counselor she's determined to help the troubled girls of Horizon House, girls who need love—not publicity. But when unfriendly locals protest the residence, they draw the attention of the state senator—a movie-star-handsome man Lynn assumes is merely interested in a photo op.

But helping Lynn is what Erik Gunther is interested in. And Lynn doesn't buy it for a second. Not even when he takes up her cause as his own. Not even when their mutual attraction becomes undeniable. But for the sake of the girls, Lynn will have to let down her defenses. Easier said than done, as a private war against her past demons rages on. A battle with an army of one, until now.

From reader reviews:

Terry Grissom:

People live in this new day of lifestyle always try and must have the spare time or they will get great deal of stress from both everyday life and work. So , if we ask do people have free time, we will say absolutely yes. People is human not a robot. Then we consult again, what kind of activity are there when the spare time coming to a person of course your answer will unlimited right. Then do you try this one, reading guides. It can be your alternative throughout spending your spare time, the actual book you have read is actually The Last White Knight.

David Nester:

Playing with family within a park, coming to see the ocean world or hanging out with good friends is thing that usually you could have done when you have spare time, then why you don't try matter that really opposite from that. 1 activity that make you not experience tired but still relaxing, trilling like on roller coaster you have been ride on and with addition associated with. Even you love The Last White Knight, it is possible to enjoy both. It is fine combination right, you still would like to miss it? What kind of hangout type is it? Oh occur its mind hangout people. What? Still don't obtain it, oh come on its named reading friends.

Monica Philson:

Is it a person who having spare time in that case spend it whole day by watching television programs or just telling lies on the bed? Do you need something new? This The Last White Knight can be the reply, oh how comes? A fresh book you know. You are and so out of date, spending your extra time by reading in this completely new era is common not a nerd activity. So what these textbooks have than the others?

Laura Hill:

What is your hobby? Have you heard that will question when you got scholars? We believe that that query was given by teacher to their students. Many kinds of hobby, Everybody has different hobby. Therefore you know that little person similar to reading or as reading through become their hobby. You must know that reading is very important in addition to book as to be the point. Book is important thing to include you knowledge, except your own personal teacher or lecturer. You see good news or update in relation to something by book. Many kinds of books that can you take to be your object. One of them is this The Last White Knight.
