When ruggedly sexy backcountry guide Grey Lowell moves to Sterling Canyon, Colorado, after buying the ski-expedition company Backtrax, his plans don't include romance. Still, it's fun to look—especially across a crowded restaurant at a beauty he dubs “Bambi.” But all his plans change later that night when he's injured by a drunk driver.

Physical therapist Avery Randall is shocked to learn that Grey's the man her brother struck with his car, and even more stunned when he arrives at the clinic expecting her help. Despite her reservations and Grey's silly new nickname for her, Avery agrees to work with him, and passion begins to simmer. Yet with his livelihood at stake, Grey must make tough decisions that could hurt Avery and her family. Before long, Avery's loyalties are tested, and the choices she and Grey each make may cost them their chance at lasting love.
