Battle Ready 1st edition by Tom Clancy (2004) Hardcover Tom Clancy

From the country's most prominent writers and one of the military's most outspoken generals comes the book every American must read. "Military success, in and of itself, is never the complete answer. Success will have to be measured, not in military terms, but in political terms in what is left behind. That will be the mark of what we are-what we leave behind. My contemporaries, our feelings and sensitivities were forged on the battlefields of Vietnam, where we heard the garbage and the lies, and we saw the sacrifice. I ask you, is it happening again?"
