Crooked Austin Grossman

AWARD-WINNING NOVELIST AUSTIN GROSSMAN REIMAGINES THE COLD WAR AS AN EPIC BATTLE AGAINST THE OCCULT WAGED BY THE ULTIMATE AMERICAN ANTIHERO--RICHARD NIXON.

Richard Milhous Nixon lived one of the most improbable lives of the twentieth century. Our thirty-seventh president's political career spanned the button-down fifties, the *Mad Men* sixties, and the turbulent seventies. He faced down the Russians, the Chinese, and ultimately his own government. The man went from political mastermind to a national joke, sobbing in the Oval Office, leaving us with one burning question: how could he have lost it all?

Here for the first time is the tale told in his own words: the terrifying supernatural secret he stumbled upon as a young man, the truth behind the Cold War, and the truth behind the Watergate cover-up. What if our nation's worst president was actually a pivotal figure caught in a desperate struggle between ordinary life and horrors from another reality? What if the man we call our worst president was, in truth, our greatest?

In *Crooked*, Nixon finally reveals the secret history of modern American politics as only Austin Grossman could reimagine it. Combining Lovecraftian suspense, international intrigue, Russian honey traps, and a presidential marriage whose secrets and battles of attrition were their own heroic saga, Grossman's novel is a masterwork of alternative history, equal parts mesmerizing character study and nail-biting Faustian thriller.
