Raid On Truman

John T. Campbell

Raid On Truman John T. Campbell

"Campbell knows his stuff!" says Larry Bond, author of Cold Choices, Day of Wrath and many others. Raid on Truman is A National Bestseller. Now newly revised and updated with the latest weaponry! North Korean special forces attempt to hijack a U.S. nuclear aircraft carrier by using anesthetic gas to knock out the crew. They land helicopters on the flight deck and swarm onto the ship. After a ventilation failure allows some of the ship's engineers to remain awake, the engineers engage the North Koreans in a gut-wrenching battle for control of the ship. Lt. Paul Simmons leads the desperate crew in a chaotic defense of the ship against a fanatical enemy bent on stealing the ship, crew, and its nuclear weapons. Simmons is aided by a lone F/A-18 pilot who attempts to defend the ship from the air, and who had tried to kill Simmons in the past. Published also in Japan.
