The Wedding Virus and Other Snippets Natalie Shell

The Wedding Virus is a term that describes how all things love and marriage seem to spread like a virus across groups of friends and women regardless of location or status.

Candid, fun, optimistic--and at times, down right embarrassing-- this book offers an insightful look into topics of love, engagement, weddings, sex and other scribbles about women.

Designed to be read in bite-sized pieces, much as you might eat candy--as little or as much as you can stomach-- Natalie Shell's debut collection of short stories and anecdotes is a must-read for anyone who has ever wanted love or caught and survived the wedding virus.
