Over seven centuries London has changed dramatically—from walled medieval settlement to bustling modern metropolis. But throughout its history there has been one inescapable constant: murder. It winds through the heart of the capital as surely as the River Thames. *Capital Crimes* tells the story of crime and punishment in the city, from the killing of infamous "questmonger" Roger Legett during the Peasants' Revolt of 1381 through to the hanging of Styllou Christofi in 1954. Along the way we encounter such shocking characters as railway murderer Franz Muller, the "baby farmers" of Finchley, and the notorious political assassin John Bellingham. Some are well known, some obscure; the lives and fates of all, however, have much to tell us, providing a glimpse into the workings of London's mysterious underworld and reminding us that dark deeds are not so far removed from everyday life as we would perhaps like to believe.
