"The Complete Book of Baby Names is a great resource if you are naming a baby, and, it's also an interesting read. Busy Girl has been using it to inform all her friends what their names mean. Most importantly, though, it covers what NOT to name your baby. I'll let you check that one out yourself."

"Since this is my third child, I've been through my share of baby name books, about 2 a pregnancy. This one I found as my favorite, not just the first few chapters but the list of names are wonderful and broken not just into boy and girl categories but lists of popular names by country, twin names and hordes of other lists. You'll be amazed, as I was."
