The Wealth of Nations

Adam Smith

The Wealth of Nations Adam Smith

An Inquiry into the Nature & Causes of the Wealth of Nations influenced a broad range of thinkers from David Ricardo to Karl Marx. Smith stresses the importance of the division of labor to economic progress. Opposing mercantilist monopolism, he offers a theoretical & historical case for free trade. Five editions appeared before his 1790 death: 1776, 1778, 1784, 1786 & 1789. Edwin Cannan's team collated the 1st five. The differences were published with a 6th edition in 1904. They found numerous minor differences between the 1st & 2nd editions, both of which were published in two volumes. Differences between the 2nd & 3rd editions are major. Smith annexed these 1st two editions with the 1784 publication of Additions & Corrections to the 1st & 2nd Editions of Dr Adam Smith's Inquiry into the Nature & Causes of the Wealth of Nations. He also published a 3-volume 3rd edition, incorporating Additions & Corrections & the 1st index. Additions & Corrections included entirely new sections. A 4th edition of 1786 had only slight differences from the 3rd. Smith notes in the opening Advertisement, "I have made no alterations of any kind." Cannan notes trivial differences between the 4th & 5th editions— misprints being removed from the 4th, different misprints being introduced.

From reader reviews:

Bryan Smith:

What do you regarding book? It is not important along with you? Or just adding material if you want something to explain what the ones you have problem? How about your spare time? Or are you busy man or woman? If you don't have spare time to complete others business, it is give you a sense of feeling bored faster. And you have extra time? What did you do? Every person has many questions above. They should answer that question since just their can do that will. It said that about guide. Book is familiar in each person. Yes, it is right. Because start from on pre-school until university need that The Wealth of Nations to read.

Nancy Baumgardner:

Do you certainly one of people who can't read pleasurable if the sentence chained within the straightway, hold on guys that aren't like that. This The Wealth of Nations book is readable through you who hate those straight word style. You will find the data here are arrange for enjoyable examining experience without leaving also decrease the knowledge that want to offer to you. The writer of The Wealth of Nations content conveys thinking easily to understand by lots of people. The printed and e-book are not different in the content material but it just different available as it. So , do you nonetheless thinking The Wealth of Nations is not loveable to be your top list reading book?

Walter Crouse:

Reading a reserve can be one of a lot of activity that everyone in the world adores. Do you like reading book and so. There are a lot of reasons why people enjoyed. First reading a book will give you a lot of new information. When you read a e-book you will get new information due to the fact book is one of a number of ways to share the information or their idea. Second, examining a book will make you more imaginative. When you studying a book especially fictional book the author will bring one to imagine the story how the character types do it anything. Third, you are able to share your knowledge to other people. When you read this The Wealth of Nations, it is possible to tells your family, friends as well as soon about yours reserve. Your knowledge can inspire others, make them reading a book.

Rose Duprey:

Precisely why? Because this The Wealth of Nations is an unordinary book that the inside of the reserve waiting for you to snap that but latter it will surprise you with the secret the item inside. Reading this book beside it was fantastic author who all write the book in such incredible way makes the content inside of easier to understand, entertaining method but still convey the meaning totally. So , it is good for you because of not hesitating having this ever again or you going to regret it. This book will give you a lot of advantages than the other book get such as help improving your expertise and your critical thinking way. So , still want to hold up having that book? If I had been you I will go to the reserve store hurriedly.
