Shiv Crew is back in book two of the Rune Alexander series.

Rune and the crew--some of them a little healthier, some of them a little more battered--take on new monsters and unbelievable surprises in Blood and Bite.

While Rune is keeping her promise to Ellis and trying to get her mind fixed, the berserker goes away to take care of some business--mysterious business he doesn't share with Shiv Crew.

What he brings back with him knocks the wind out of Rune and makes her question everything she thought she knew about Strad Matheson.

But the worst is yet to come.

With a mad vampire master she must destroy, a child she must save, and unimaginable screams from a past she has to ignore, Rune has her hands full. But there is always something new and terrible waiting in River County--waiting, it seems, just for her.

Because just when she thinks she can't possibly handle one more terrible thing, she discovers a shocking truth about herself, her blood, and her bite.
