Fast Food Nation

Eric Schlosser

Fast Food Nation Eric Schlosser

To a degree both engrossing and alarming, the story of fast food is the story of postwar America. Though created by a handful of mavericks, the fast food industry has triggered the homogenization of our society. Fast food has hastened the malling of our landscape, widened the chasm between rich and poor, fueled an epidemic of obesity, and propelled the juggernaut of American cultural imperialism abroad. That's a lengthy list of charges, but Eric Schlosser makes them stick with an artful mix of first-rate reportage, wry wit, and careful reasoning.

Schlosser's myth-shattering survey stretches from the California subdivisions where the business was born to the industrial corridor along the New Jersey Turnpike where many of fast food's flavors are concocted. He hangs out with the teenagers who make the restaurants run and communes with those unlucky enough to hold America's most dangerous job - meatpacker. He travels to Las Vegas for a giddily surreal franchisers' convention where Mikhail Gorbachev delivers the keynote address. He even ventures to England and Germany to clock the rate at which those countries are becoming fast food nations.

Fast Food Nation is a groundbreaking work of investigation and cultural history that may change the way America thinks about the way it eats.

From reader reviews:

Daniel Spencer:

Why don't make it to become your habit? Right now, try to ready your time to do the important behave, like looking for your favorite reserve and reading a book. Beside you can solve your trouble; you can add your knowledge by the guide entitled Fast Food Nation. Try to the actual book Fast Food Nation as your friend. It means that it can being your friend when you truly feel alone and beside associated with course make you smarter than ever before. Yeah, it is very fortunated to suit your needs. The book makes you much more confidence because you can know every thing by the book. So , let me make new experience along with knowledge with this book.

Susan Preuss:

Nowadays reading books become more than want or need but also work as a life style. This reading routine give you lot of advantages. Advantages you got of course the knowledge the rest of the information inside the book that will improve your knowledge and information. The info you get based on what kind of reserve you read, if you want send more knowledge just go with education books but if you want experience happy read one having theme for entertaining such as comic or novel. Typically the Fast Food Nation is kind of guide which is giving the reader unstable experience.

Adelina Thompson:

Precisely why? Because this Fast Food Nation is an unordinary book that the inside of the reserve waiting for you to snap that but latter it will surprise you with the secret the item inside. Reading this book adjacent to it was fantastic author who else write the book in such remarkable way makes the content on the inside easier to understand, entertaining technique but still convey the meaning entirely. So , it is good for you because of not hesitating having this any more or you going to regret it. This book will give you a lot of gains than the other book have such as help improving your ability and your critical thinking technique. So , still want to postpone having that book? If I had been you I will go to the guide store hurriedly.

Timothy Reed:

This Fast Food Nation is great publication for you because the content which can be full of information for you who all always deal with world and get to make decision every minute. This book reveal it data accurately using great arrange word or we can declare no rambling sentences included. So if you are read that hurriedly you can have whole data in it. Doesn't mean it only offers you straight forward sentences but difficult core information with splendid delivering sentences. Having Fast Food Nation in your hand like finding the world in your arm, data in it is not ridiculous just one. We can say that no e-book that offer you world throughout ten or fifteen moment right but this book already do that. So , this really is good reading book. Hey there Mr. and Mrs. busy do you still doubt that will?
