I Want You to Read This Today And Remember It Forever: Thoughts to share with a very special person Douglas Pagels

It isn't always easy to express the deepest thoughts and share the most meaningful things we feel. Still, we know that it's so important to do -- especially when it comes to telling the special people in our lives how much they mean to us.

It's those people who make all the difference in the world. They're the ones who are steady and secure, always there, forever in our hearts, always a part of our favorite memories and our wishes and dreams. They're the ones who are worth every effort it takes to make our appreciation known. But often it seems like the more important someone is to us, the more difficult it is to find the perfect words... the ones that truly share the happiness and hopes that deserve -- so much -- to be heard.

This book provides a way to not only say those very essential words... but to make them last a lifetime. I WANT YOU TO READ THIS TODAY AND REMEMBER IT FOREVER is a keepsake edition that will continue through the years to be a tribute and a tender reminder of some of the most beautiful and thankful thoughts the heart can ever hold.

Caring so much about someone who touches your life is a truly wonderful thing. Sharing a book like this and letting them know how special they are to you... well, as you're about to find out... that's a really wonderful thing, too.
