Lost in Time Vance Munraff

The zombie apocalypse has already happened. Or has it? Little Mikey Freeman, the strange and disturbingly silent young loner, can see dead people and speak to them. Or at least they speak to him. Or do they? As a troubled pre-teen was he actually transformed into a blood-thirsty creature of the night by the seductive vampire pedophile babysitter from next door? Did our tragic anti-hero grow up to become a shameless and unapologetic psycho killer? Or is it all just so much psychotic rubbish, barely contained within in his own troubled head? Just one big fatalistic phantasmagoria, the guilty collective conscious of a doomed race conjured up by a lonesome prophet? Like our strange young Moody/Freeman, are we all just hopelessly . . . Lost in Time.
