Impatient to start the construction of Wayward Pines, **David Pilcher accelerates the timeline to secure mankind's last known SANCTUARY.** But when the heavy-duty machines emerge from the superstructure, the simple task of clearing trees and building a fence turns into a deadly undertaking.

While opposing factions struggle to get the fence project back on schedule, Adam Hassler navigates the "new" world, where a single misstep or lapse of focus can spell the difference between life and death. **Hell bent on revenge,** he travels north toward the fence, devising an all or nothing scheme to get back into Wayward Pines.

With the fence nearing completion, the stage is set for a thrilling, no-holds barred finale to the Wayward Pines Genesis Series.
