**Disability and the Gospel: How God Uses Our Brokenness to Display His Grace** Michael S. Beates

Michael Beates's concern with disability issues began nearly 30 years ago when his eldest child was born with multiple profound disabilities. Now, as more families like his are affected by a growing number of difficulties ranging from down syndrome to autism to food allergies, the need for church programs and personal paradigm shifts is greater than ever.

Working through key Bible passages on brokenness and disability while answering hard questions, Michael offers helpful principles for believers and their churches. He shows us how to embrace our own brokenness and then to embrace those who are more physically and visibly broken, bringing hope and vision to those of us who need it most.
