Dope Black Boy 2 Rich Black Man: Guide to channeling a young hustler's ambition into the development of an empowered successful man Christopher Freeman, Marcellus Womack

Are there seeds of business greatness, even within the most underprivileged young black male, heavily engaged in a wild criminal lifestyle of selling drugs to achieve his version of the American dream? According to Christopher Freeman's life transformation...absolutely! This inspirational self-help book highlights Christopher's life and business evolution, from fueling a misguided hustler's ambition as a dope boy, to properly channeling his hustle and drive to achieve an empowered level of success as a fearless business man.

Christopher's troubled childhood includes being sent to juvenile detention for a felony charge at 13, dropping out of school in the 9th grade, and selling crack at the age of 14. His meteoric rise to becoming a major dope boy making over \$50,000 profit a month, was followed by 2 tormenting bids in federal prison. However, while incarcerated, Christopher embraced a powerful regimen for reprogramming his mind. He discovered how to use the exact same skills that made him prominent as a hustler in the streets, to build one of the fastest growing multi-million dollar virgin hair businesses in the nation - Beautiful Hair 4 U.

In *Dope Black Boy 2 Rich Black Man*, Marcellus Womack unites with Christopher to collaboratively provide a mentor/big-brother source of guidance and rejuvenating enlightenment for young black males, taking a very real and credible look at how an overly glamorized "Thug Life" truly plays out in "Real Life." *Dope Black Boy 2 Rich Black Man* also contains invaluable perspectives and solution bases for uplifting black culture, in addition to pivotal keys to business success and overall greatness, applicable to all.
