Stone Barrington is back and better than ever in the newest thriller from the number-one *New York Times* best-selling author.

With suspects aplenty, Stone must probe deep into his client's life to find the truth, and he discovers that the heart of the mystery may be a famous missing piece of history, a stunningly beautiful vestige of a bygone era. It's a piece with a long and storied past and untold value...the kind of relic someone might kill to obtain.

Among the upper crust, nearly everyone has buried a skeleton or two, and it will take all of Stone's investigative powers to determine whose secrets are harmless - and whose are deadly.
