Fratire 4 Darren W. Bryce

You can't hold on to the past. Nothing stays the same. Especially in Tallahassee. Darren Bryce learns this all too well in the fourth book of his controversial memoir series when he returns to FSU and discovers a world that is very different from the life he left behind. Little did Bryce know that the dramatic events that would unfold over the next month would scar his life forever. Stories include: Hell Week, date rape, vile pranks, vengeance, betrayal, and the lewdest of campus humor. This is the uncensored and unabashed truth about college life from a student who lived it to the extreme.
