It is also a reference book for the passionate hotel professional and provides knowledge for young hoteliers, helping them to understand the history and the development of their industry. Combining four years of research, assisted by many students in various hotel schools around the world, and with contributions by six travel writers, it is hoped this book will entice more people to seek out the world's great, grand and famous hotels, and to stay in them for an unforgettable experience, not just as a place to spend the night.
