Infinity Blade: Awakening Brandon Sanderson

Trained from birth in swordplay and combat, a young knight named Siris has journeyed to the Dark Citadel with a single purpose: fight through the army of Titans to face the tyrannical God King in one-on-one combat. This was his father's sacred mission, and his father's before him, going back countless generations in an effort to free their people from enslavement. But when Siris somehow succeeds where all those from his bloodline previously have failed, he finds himself cast into a much larger world, filled with warriors and thieves, ancient feuds and shifting alliances, Deathless immortals and would-be kings. His quest for freedom will take him on an epic journey in search of the mythical figure known as the Worker of Secrets – the one being in the world who can unravel the secrets of the Infinity Blade.

Based on the bestselling video game from ChAIR Entertainment and Epic Games, this all-new adventure from acclaimed fantasy author Brandon Sanderson digs deeper into the fantastical world of Infinity Blade, a world of mystery and intrigue where magic and technology are indistinguishable, and even life and death are not what they seem.

Brandon Sanderson has published six solo novels with Tor Books—Elantris, the Mistborn trilogy, Warbreaker, and The Way of Kings—as well as four books in the middle-grade Alcatraz Versus the Evil Librarians series from Scholastic. He was chosen to complete Robert Jordan's long-running Wheel of Time series, to which he added 2009's The Gathering Storm and 2010's Towers of Midnight, as well as the final book in the series, A Memory of Light, scheduled for release in 2012. Currently living in Utah with his wife and children, Brandon teaches creative writing at Brigham Young University.
