Option Delta Richard Marcinko, John Weisman

In six spectacular *New York Times* bestsellers, covert combat master Richard Marcinko has blown the lid off the classified world of SpecWar ops. Now, the commando's credo "kill-or-be-killed" is pushed to the brink in a shattering new conflict....

The Rogue Warrior is invading Germany with a blitzkrieg of bravado. His secret assignment: recover a pair of U.S. ADM's -- Atomic Demolition Munitions -- lost in the Rhine Valley. Yet, what begins as a simple SEAL mission explodes in his face when terrorists visit the cache site. With military tensions igniting all over the world, America's diplomatic priorities are everywhere *but* eastern Europe -- and the Rogue Warrior must take matters into his own hands.

But not even Marcinko is aware that a cabal of ultranational extremists -- led by Lothar Beck, a billionaire defense contractor -- is ready to use Germany's stockpiled cold War nuclear weapons to carve out Europe's first superpower, a true Fourth Reich. Fortunately Marcinko has some firepower of his own, and the manpower to deliver it with maximum prejudice and extreme efficiency. He and his elite SEALs will have to wade through tango cells of skinheads, neo-Nazis, Russian mobsters, and Middle Eastern terrorists before they get the scent of the real powerbrokers. But once they do, it's time to go hunting -- with no bag limit.
