What is Man That Thou Art Mindful of Him?: Where We Were (What is Man? Book 1) Thomas Sedaker

“The only Book about man’s destiny that’s easy to read and yet, explains what most people thought they knew, but didn’t.” ~ R.L. Llanes

“...to those who are hungry to understand the deeper mysteries of God; to find real answers from God’s perspective, this will be a pivotal book in your life.” ~ S. Stimson

I felt the love of God coming through the pages. We ought to all be humbled at what’s being conveyed here.” ~ P. Soyster

“What is Man that Thou Art Mindful of Him—Where We Were” takes us back to the garden of Eden; providing explanations to what happened and bringing resolution to questions we’ve always wanted to know but never thought of asking.

- How much does God really love you?
 - What is God’s eternal purpose that goes far beyond the salvation of mankind?
- Why was the “Tree of Knowledge of Good and Evil” in the garden?
- Why was Eve not created immediately after making Adam?
 - If “Adam was not deceived” as the Bible states, then why did Adam eat the forbidden fruit?
 - Why did Adam and Eve cover up certain body parts and not others?
 - If Eve was the transgressor, then why did Adam’s sin bring death upon all men?
 - How does God’s curses of Adam and Eve affect us even to this day?
 - Why Christian wives have a difficult time submitting to their husbands?

After the fall, when God called out to Adam, “Where are you?” it wasn’t because He didn’t know where they were. He knew it was imperative that they tell the truth about what just happened in order for Adam and Eve to move toward their destiny and, in turn, help them pinpoint exactly where they were in relation to Him. Unfortunately, they were too busy passing blame to understand God’s intentions, and ultimately bestowed mankind with a legacy of misery and sorrow that’s been passed on from generation to generation.

Surprisingly, what most of us fail to realize is God is still asking this same question today—Where Are You? And without an accurate accounting of what has brought us to our present condition, the question remains unanswerable.

Filled with interesting observations, each point shared throughout the book has one intent—to bring understanding to Where We Were, thus, positioning us to respond to God truthfully when asked, “Where Are You?”
